Hello Tim,

Thank you for contacting us about the Chief permits. Here is the second letter that went out regarding the fines owed for Tintic. As discussed, fines total \$506 for each mine. As far as providing additional bond money, please contact Penny Berry, our bond coordinator at [801-538-5291](tel:801-538-5291). If the bonds are to remain as cash bonds, you will need to fill out the attached W-9 forms for each of the permits.

If you want to appeal the failure to abate fines of \$22,500, I would suggest sending that request in writing to our Associate Director, Dana Dean at [danadean@utah.gov](mailto:danadean@utah.gov)

As I mentioned on the phone, permit fees for this year are due and will need to be paid. I will have our admin. send out the billing statements for both mines to you, now that I have a good address. In addition, an annual report is required for both permits. Please see the attached form to fill out the annual reports. This form can be sent back to us with the permit fees.

Any other questions, feel free to contact me. Thanks again.

Regards,

April
